

REQUEST FOR CONSTRUCTIVE ASSISTANCE

The undersigned has made a diligent effort to amend the claims of this application so that they define novel unobvious structures. If for any reason the claims of this application are not believed to be in full condition for allowance, applicant respectfully requests the constructive assistance and suggestions of the Examiner in drafting one or more acceptable claims pursuant to MPEP 707.07(j) or in making constructive suggestions pursuant to MPEP 706.03(d) in order that this application can be placed in allowable condition as soon as possible and without the need for further proceedings.

CONCLUSION

Applicant respectfully submits that the marked errors in the specification are corrected, the corrections are in paragraph form, the disallowed claims by Office Action are deleted, amended claims are presented on a separate page, claims are marked with status identifier, and the lengthy Abstract is shortened (exactly as in Amendment A). Accordingly, applicant submit that this application is now in full condition for allowance, which action applicant respectfully solicits.

Very respectfully,

Jason L. Smith
